

ASSA 2022 Annual Meeting
January 2022 | Boston/ Massachusetts (participation details to be determined)

Event Overview¹

The **American Economic Association (AEA)**, which was established in 1885, is a non-profit, non-partisan, scholarly association dedicated to the discussion and publication of economics research. The Association currently **counts over 20,000 members** from academe, business, government, and consulting groups, within diverse disciplines from multi-cultural backgrounds, dedicated to economics research and teaching, and supports established and prospective economists with a set of career-enhancing programs and services. The AEA, in conjunction with 64 associations in related disciplines known as the **Allied Social Science Associations (ASSA)**, holds a three-day meeting each January to present papers on general economics topics. Over 13,000 of the best minds in economics are assembled to network and celebrate new achievements in economic research. The meeting is generally organized as follows:

- **Program:** Offers in-depth coverage of economics topics across many disciplines via hundreds of speakers and panels.
- **Job Interviews:** The concurrent economics job fair brings together thousands of job-seekers and recruiting companies in pre-registered interview sessions.
- **Special Events:** The Presidential Address, award presentations, lectures, and many networking opportunities are also part of the experience.
- **Proceedings:** The American Economic Association publishes a Papers and Proceedings edition, in May, highlighting selected papers from the meeting, and a limited number of sessions are featured on webcasts.
- **Exhibit Hall:** Meet representatives offering specialized products and services serving economists and those in related disciplines

ASSA is the premiere event to expose scientific and research work with colleagues and hear about the latest research emerging in the field. Economists from around the world take advantage of this unique opportunity to share, collaborate, and learn... all in one place. The ASSA 2021 meeting was held virtually in January 3-5, 2021. The **upcoming meeting is scheduled to be held in Boston, Massachusetts, at January 2022**. Sessions proposals and papers were submitted electronically (submissions are not any more available), via the American Economic Association website, between March 1 and April 15, 2021, where the condition to submit is at least one author of each paper must be an AEA member. Information about the upcoming 2022 annual meeting is announced on the AEA website (<https://www.aeaweb.org>) as it becomes available for presenters, attendees, and exhibitors.
